We would like to take this opportunity to thank everyone for the support we received during the last few months.

First of all, we would like to thank all the guest-relations at the hotels, who immediately had faith in us.

Secondly, all the taxi-drivers, who have always provided our guests with good service.

Thirdly, all our suppliers, for all their efforts.

Next, our "crew", who always give their 100%.

And last but not least, we want to express our gratitude towards all the people of Aruba, whose spontaneous, sympathetic nature and kindness never ceases to amaze us.

We really appreciate this.

Once again, many, many thanks!!!
